Flossy line, glittering in the sunlight  
Wild geese flying in line  
A blazing hill

Once there was a fairy-tale, a wish  
A shattered golden roof  
She's longing for the real  
Longing for the real

He arched his back butting his long eyelashes  
Shuffling his feet  
Heady scent

Once there was a fairy-tale of grief  
Empty shallow belief  
He's longing for the real  
Longing for the real

Fingers trace her silhouette  
And find an amorous bud  
Silvery dew

Towering spire  
She gazes up towards the sky  
The Milky Way of love

F

Throne and crown  
He worships her when two are one  
A Caress rolls in mellow light

Once there was a fairytale of love  
For every lonesome soul  
While they're longing for the real  
Longing for the real

陽の輝き まとううぶ毛  
遠日に列をなす雁の群れ  
燃ゆる丘  
昔々あるところ  
ある女の願いの物語  
閉ざされた黄金の天井  
女は夢を見る

背を丸め俯いた男  
その睫毛の長さ  
足を引きずるごとに  
わきのぼる香氣  
昔々あるところ  
ある男の哀しい物語  
おなしく空っぽな信念  
男は夢を見る

だどる指先  
艶めくつぼみ  
輝く銀色の露  
そびえる相輪  
空を見上げる女の視線  
天の川の逢瀬

王座と玉座  
男は女を崇め  
ふたつはひとつになる  
やがて抱擁は柔らかな光へと  
昔々あるところ  
孤独な生き物たちに捧げられた物語  
すべては夢を見る  
すべては夢を見る
